

TPT ISRAEL TOUR PAYMENTS, REFUNDS & CANCELLATION POLICY

Tourism is at an all time high in Israel. As a result, hotels and tour companies are requiring substantial and non refundable deposits to reserve rooms, buses and other activities. And all airlines require full payment (which is non refundable) when flights are booked. We set your payment schedule to coincide with these deposit and payment requirements. As a result, all payments for the TPT Israel Tour are non-refundable and no refunds are possible in the event you cancel.

What if TPT cancels the tour?

This is unlikely to happen. However, if the tour must be cancelled because the US Government and the Israeli Government issue travel restrictions we will work with the hotels and airlines to get you the best possible refund.

Travel Insurance

We highly recommend that you purchase travel insurance that includes trip interruption and cancellation coverage. There are several companies that offer this coverage. We recommend Travel Safe as we have worked with them in the past and they have paid claims in a timely fashion and their rates are reasonable.
